Welcome to CESNA

Dear Friends in Christ,

Have you decided on your life direction? Have you heard God's calling? Have you seen the blazing fire on the altar? When you are reading this brochure, are you aware of God stirring your heart and opening your spiritual eye to see this world is burning with thousands upon thousands of souls forever lost? Countless families and churches are waiting for you to revive them! Yes, it is now time to join China Evangelical Seminary North America (CESNA) and be equipped for His kingdom!

CESNA is situated in east Los Angeles. We are a Chinese-speaking seminary, deeply rooted in Biblical truth, upholding Christ, and His Cross, fervent in evangelism, and committed to equipping saints and serving churches.

We originated from China Evangelical Seminary in Taiwan. Throughout the years, God has blessed and used us, initially as an education center and later a branch of the seminary. In 2007, CESNA became independent, with the internationally acclaimed scholar Dr. Katheryn Leung as our founding president (now President Emerita). With the hard work of Dr. Leung, the faculty, and staff over the years, CESNA is now a full member of ATS, meaning all its programs and degrees are recognized in the United States, Canada, and overseas. We are also authorized by the United States Federal government to issue I-20s to international students.

Over the years through our equipping courses, we have nurtured many well-qualified ministry workers with doctorate or master's degrees who are now serving in many churches, organizations, and mission fields. In addition, countless students who have been equipped through our TEE courses are now blessing this generation. Aren't you excited to join the big CESNA family? We would like to extend a warm welcome to you!

May God bless you and use you to bless this generation!

CESNA President

The objective is to assist those full-time students who are called of God to enter full-time Christian upon graduation

The Theological Education by Extension (TEE) program is designed for laypersons who have the hearts to serve and are willing to invest their time to receive a systematic theological education to better serve others. Students can choose courses according to their own needs, or they can enroll in specific certificate programs catered to specific ministries.

A. Theological Education Certificate program

Students who complete 46 TEE units will receive a "Theological Education Certificate". An "Intermediate Completion Certificate" will be issued to those who have completed 24 TEE units.

B. Special Ministry Training Certificate program

CESNA can customize a 2 to 4-year special training program according to the needs of the local church. Some examples are:

1. Bible Teacher Training Series
2. Caring & Counselling Series

C. On line courses

For the convenience of Chinese believers living in the United States and beyond, CESNA offered courses in many locations. In addition, students may register for any online courses as well, making it easy for them to complete their theological education certificate program or/ and ministry training certificate program.

1. CESNA is committed to training, for the Kingdom of God, effective Chinese-speaking pastors and Christian leaders who serve in conformity to the will of God, and who demonstrate a balance in academics, spirituality, and ministerial skills in their lives.
2. CESNA is committed to training ministers and leaders for the Chinese churches in North America and beyond to fulfill the Great Commission through a strategic partnership with Christian churches and organizations.
3. CESNA is committed to, from a Biblical perspective, responding to contemporary issues that are of concern both to the Chinese American society and Chinese churches at large.
